MARLBOROUGH HIGH

MARLBORO HIGH SCHOOL MARLBORO, MA 1980

Life — so they say
Is but a game and they let it slip away.
Love — like the autumn sun
Should be dying but it's only just begun.
Like the twilight on the road up ahead
They don't see just where we're going
And all the secrets in the universe
Whisper in our ears
And all the years will come and go
And take us up, always up . . .
We may never pass this way again.

REMEMBER WHEN . . .

Mr. Flynn had a perm
we won the superbowl
skipping school was "bad"
our school got repainted at Thanksgiving
we had so much snow we had an unexpected vacation
those Latin dances!
we couldn't wait for spring to go to Chag's
some of us 'turned' 20
those embarrassing situations Mr. Beland read us
they passed a law saying we had to pray
we hung the failing whenever we could find a spot
getting asked or asking that special someone to the prom
those major violations
we cruised around all night looking for a party
we met at McDonald's
paired my rock
went to school on Saturday
McCaffrey's shoes didn't match
I had a fire in wood shop
Mrs. Mahony said "If you can't hear this announcement,
call the office"
